SPARKING LIFE
CHANGING
JOURNEYS

Trajectory Architecture partners with established youth organizations and charities like Breakthrough Miami to give gifted and determined young people from underprivileged backgrounds the elusive opportunity to see the real-life workspaces of today's most successful businessmen and women, inventors, artists, politicians, philanthropists, doctors, and lawyers.

Today Trajectory Architecture is proud to do exactly that with
serial hospitality and real estate entrepreneur, Steve Salis.

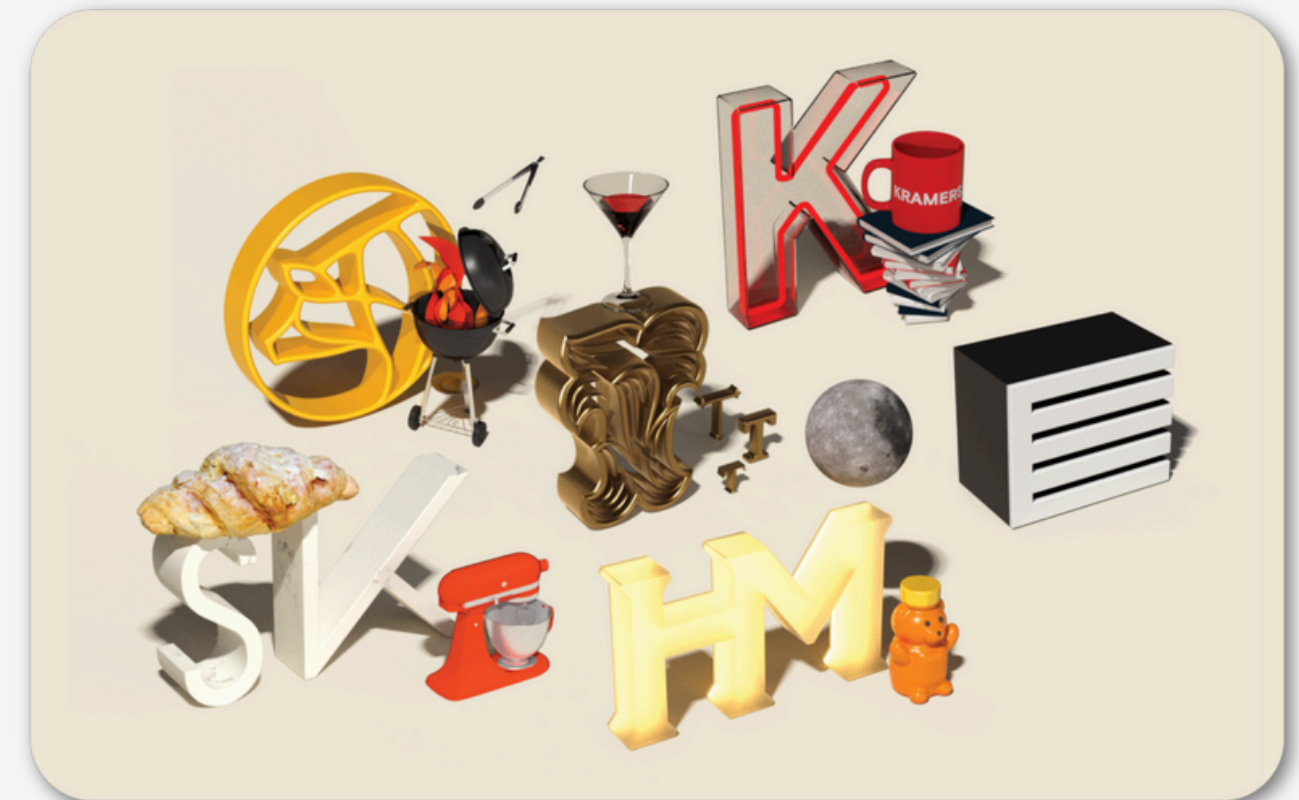

STEVE SALIS

FROM COLLEGE DROPOUT TO AMERICAN BUSINESS MOGUL

Steve is a post-exit entrepreneur, who initially rose to prominence creating and then selling the national pizza chain business *& Pizza*

Steve currently is the Founder and majority owner of *Catalogue*, one of the largest independently owned hospitality consortiums in the United States which owns brands like Ted's Bulletin, Kramers, Federalist Pig, Honeymoon Chicken, etc. Altogether doing in the ballpark of \$100 million per year revenue servicing 100's of thousands of consumers.

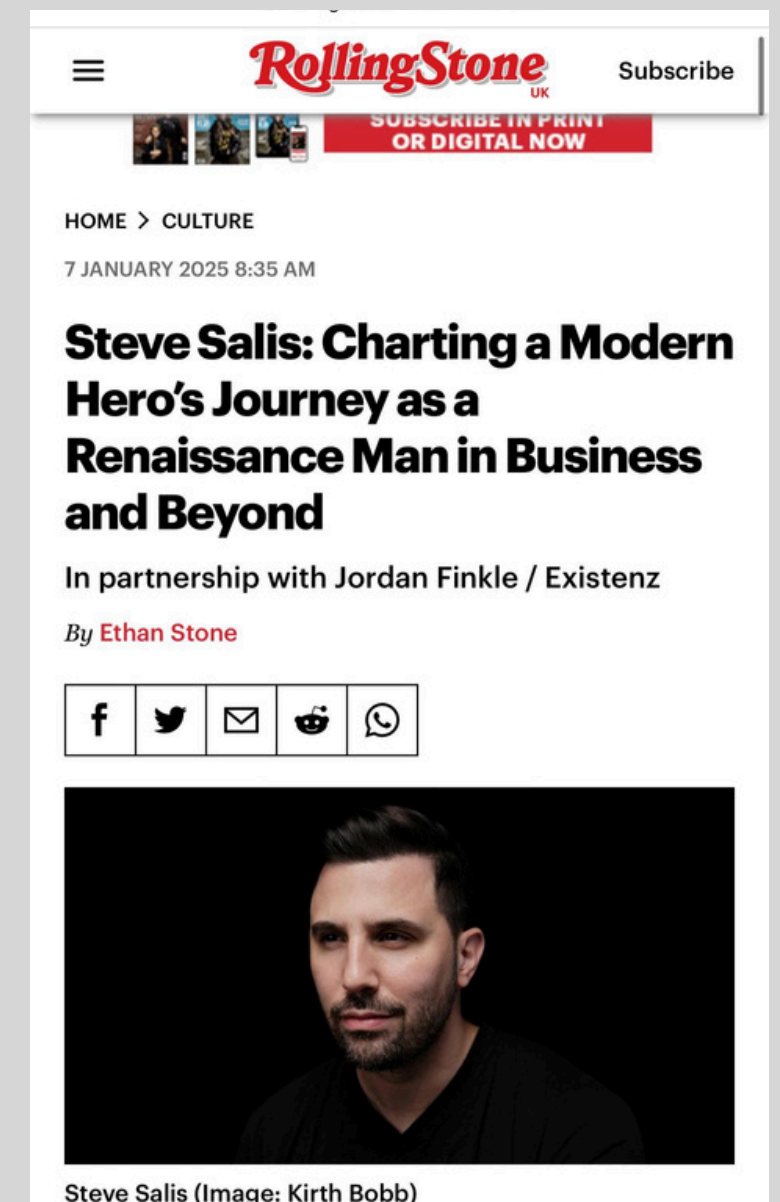

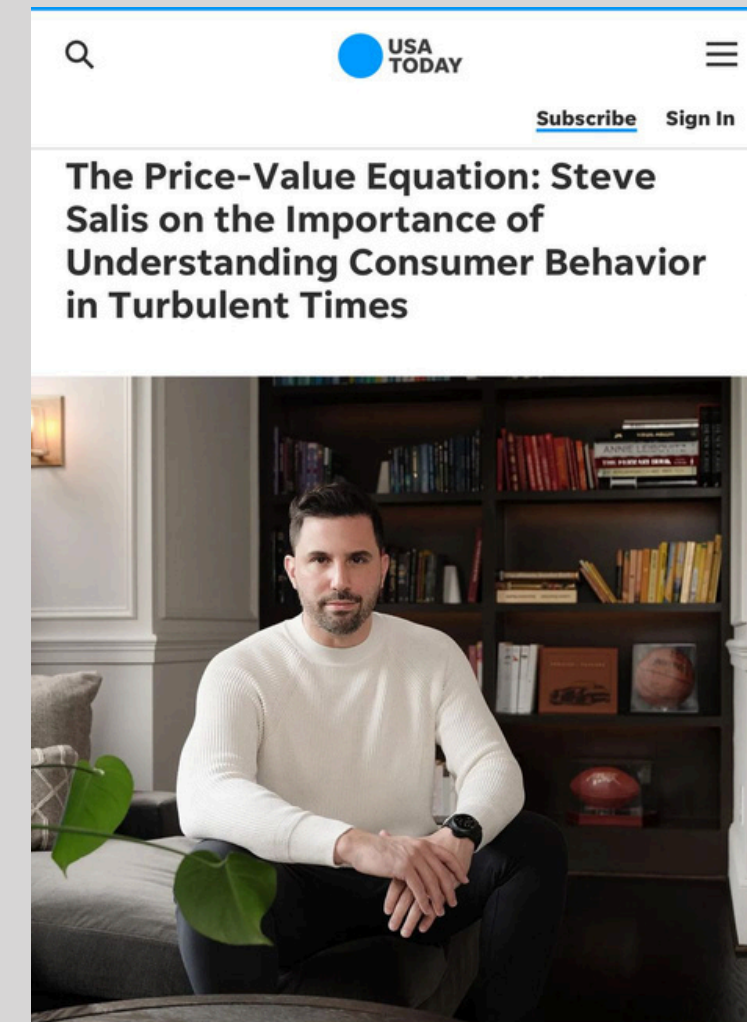

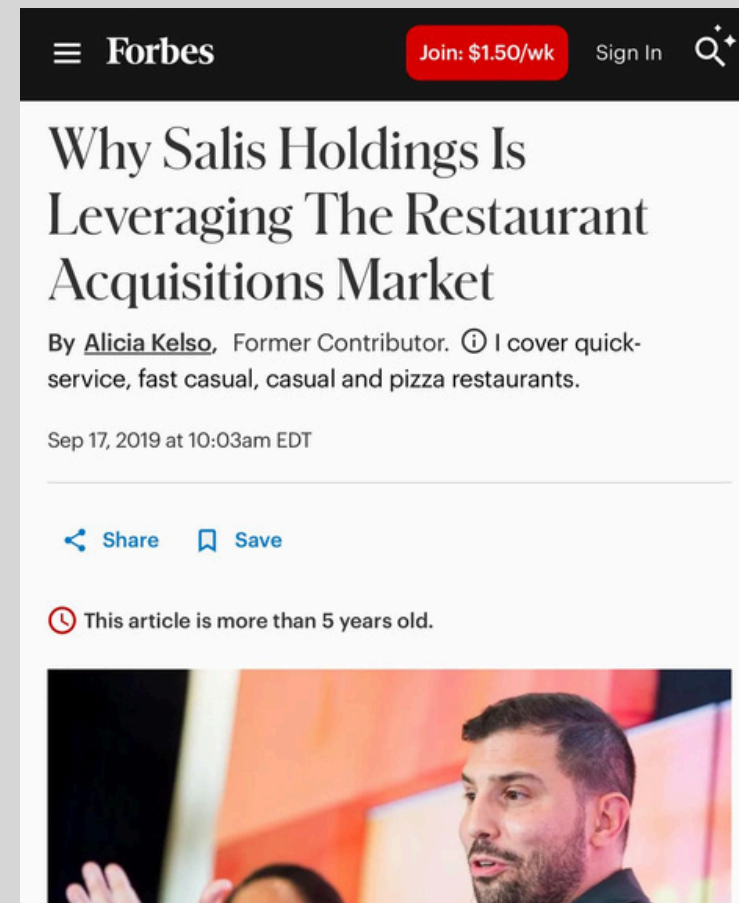

VISION AND LEGACY

- Redefining hospitality with heart and soul
- Scaling brands with purpose, not just profit
- Democratizing luxury hospitality to the American mainstream, perhaps more than any entrepreneur since Steve Wynn
- Launching platforms that uplift diverse voices

IN THE PRESS

If you resonate with Steve's story and may feel inspired to set out to achieve something similar, please connect with Nicole at Breakthrough Miami to get your questions addressed by Steve and get a toolkit of the resources he'd most highly recommend for charting your path to success
